Cuiabá-MT, Brazil | +65 99975-3998 | brennocamps@gmail.com | [linkedin.com/in/brncampos/](https://www.linkedin.com/in/brncampos/)

OBJECTIVE

I am dedicated to improving system performance with Node.js, designing optimized layouts CSS flexbox and grids, and developing innovative programs that align with the company's goals. I am eager to make a meaningful impact while advancing my career as a developer. With a focus on continuous learning and skill improvement, I am always open to new challenges and experiences that align with my role and expertise.

EXPERIENCE

Inter American Development Bank, Washington - US - Remote Feb, 2023 - May, 2023

Technical Consultant

- Managed a team of 26 employees, ensuring high-quality survey results for the Bureau Census.

Brazil Geography and Statistics Institute, Cuiabá - Brazil Feb, 2020 - May 2023

Censitary Coordinator

- Spearheaded the demographic census collection project in the Cuiabá area, resulting in the successful completion of data collection.
- Collaborated with cross-functional teams to gather and exchange feedback on census collection strategies.
- Implemented a strategy to start data collection in areas with higher receptivity, combined with promotional efforts in more challenging areas, leading to improved survey participation.
- Managed a team of 275 enumerators and quality consultants, ensuring successful census data collection across multiple neighborhoods in Cuiabá.

Rondon Risk Management, Cuiabá - Brazil

Oct, 2016 - Apr 2018

System Analyst

- Provided customer service and vendor support.
- Collaborated with multiple shifts regarding "Loss Incidents".
